# Welcome to the Heritage Brahman Bull Sale

On behalf of the entire crew here at Heritage Cattle Company, welcome to this remarkable Brahman event. Without a doubt, this is the most impressive group of bulls we have ever offered. On Wednesday, February 26th and Thursday, February 27th, we hope you will set your computers, tablets, cell phones and even smart watches to Cattle In Motion – Heritage Brahman Bull Sale. We are offering eight Brahman herd sire prospects that have the genetic reach, performance and quality to catapult your breeding program into the 2020s.

As an active cattle judge and breeding consultant, I have the opportunity to sort through thousands of Brahman cows each year. One of my main observations is how similar the cattle business is from country to country and from commercial to registered breeding programs. The truth is that consumers are looking for the most efficient method to consistently produce quality beef cattle that perform in both the hard, tropical and drought induced environments as well as grain-fed feedlots.

At Heritage, we believe there are three methods to achieve economic success in the beef cattle industry: selection, genetics and performance. Two of the three are tangible methods, selection and performance. They can be seen, evaluated and measured. The third method is genetics. Genetics includes the study of heredity. Genetics helps explain what makes you unique, or in this case your cattle unique. Have you ever wondered why certain bulls or cows look alike? Maybe it is a specific color pattern, or a physical trait like a broad back and wide hindquarters. Genetics can also affect the fertility of an animal or the ability of a mama cow to produce milk. With these three methods in mind, we ask that you shop through our bull offering and find the bull that is just right for you.

Whatever Brahman needs you have, we have the staff, cattle, knowledge and experience to help you succeed. May God Bless,

*Judd E. Cullers*

Sweet Home Alabama! Just an expression I like to say when I see something this exciting! Mr H Trip Manso 147/8 is a beautiful, dark featured bull that is big footed and big boned with tons of rib shape, length and muscling. His sire is JDH Mr Manso 751/6, "Feo", making him a paternal brother to our 2019 International Reserve Calf Champion, Mr H Everett Manso 146/8. The dam of Trip 147/8 is none other than Lady H Lone Star Tori 173/4, an outstanding female that we sold to our good buddy Mr. Mark Jolly and is currently being used as a donor. You will recognize the sire side of Mr H Trip Manso 147/8 tracing back to the great =JDH Westin Manso 80/1 bull and the Register of Renown +JDH Atlas Manso 328/3 (personal favorite!), a sire for J.D. Hudgins. The dam side is equally as impressive. The 173/4 cow is sired by the two-time Central American Grand Champion bull, #SS Principe de Siguan 87/8, easily one of the top (+)JDH Karu Manso 800 sons ever produced. Principe 87/8 has sired multiple champions here in the U.S. as well as Central and South American countries. Drop down to the mother of the 173/4 cow and you will find one of our greatest donors in the history of Heritage Cattle Company, the matriarch +Lady Heritage Manso 173, better known as the "Tori" cow. She will forever be remembered as the dam of +Mr H Maddox Manso 684, but has also produced several great ones including the National Champion Cow +Lady H Lanel Manso 911/6.

Mucho Enchiladas Con Queso!! A shout out to my Spanish speaking friends. I'm pretty sure Gustavo Toro and I coined that phrase about 20 years ago. But seriously, here is one we can all agree on...Mr H Asher Manso 158/8 could potentially be one of the best Brahman bulls to ever sell through an online video auction. This cool designed young sire is up-headed, big topped and flawless on his feet and legs. Just watch the ease with which he moves, carrying himself as a future sire and ready to create outstanding offspring for generations to come. Asher 158/8 is a designed mating of the popular JDH Expression Manso 735 combined with the maternal strength and power of +Miss V8 464/6. The Expression bull is no stranger to the performance club, being a son of the world famous +JDH Elmo Manso 309 and out of JDH Miss Darby Manso, an own daughter of the former National and International Champion (+)JDH Sir Liberty Manso 847. The dam of Asher 158/8, +Miss V8 464/6, is the former World Congress Champion and International Grand Champion. In addition to her many championships, +Miss V8 464/6 is also the mother of V8's popular sires +Mr. V8 191/7 and Mr. V8 194/7. Folks, here is a real opportunity for a cornerstone type bull, the possibilities are endless! Just think of the value Asher 158/8 will add to next year's calves. Then collect and market semen from Asher and put money back in your pocket.

If you have a taste for straight toplines and clean underlines, then Mr H Houston Manso 161/8 needs to be high on your list. Houston 161/8 is sired by JDH Mr Monroe Manso 416/8, a bull purchased from the Hudgins Division, who is a JDH Prophet son out of a full sister to (=)JDH Josiah Manso. The genetics behind Mr H Houston Manso 161/8 are phenomenal with the sire side showing Prophet 424/7, (+)Lawford 616, and Elliott 761. The dam side is equally as impressive with Lady H Bailey Manso 87/9, a former champion cow at San Antonio and sired by the Register of Renown bull +JDH Sir Jerome Manso 224, who is an own son of (+)JDH Sir Liberty Manso 847. The grand-dam of Mr H Houston Manso 161/8 is one of the all-time great donors, +Lady H Alexi Manso 790, who is also the dam of the National Champion cow Lady H Mae Manso 66/9 and the many time champion bull Mr H Ezekial Manso 760/5. Performance packed genetics, ready to work for you.

Another Level 3 bull selling today! Friends, there is not a bull in this entire sale that we wouldn't breed ourselves. Take a look here...Mr H Modelo Manso 169/8 is a cattleman's dream. Just look at the angles of this bull's shoulders and how they blend smoothly into his body. Mr H Modelo Manso 169/8 is a structurally sound, athletic son of our former champion Mr H Oakley Manso 605/4. If pigmentation and symmetry are important to you, then write down this lot number and stick it to your refrigerator. I don't want you to miss him. On the dam's side is the Lady H Lydia Manso 350/2 cow. She is sired by the popular (+)JDH Karu Manso 800 son, +Mr. V8 442/6, and is out of the former National Champion cow +Lady H Lanel Manso 911/6. Not only does Modelo 169/8 combine some of the breeds most proven and recognizable genetics to include (+)JDH Atlas 328/3, (+)JDH Karu 800, +JDH Charley's Jazz 946/1, +Mr H Maddox 684, +Lady H "Tori" 173, +Mr. V8 442/6, and +Double Take but his pedigree boasts 8 Register of Renowns and 2 Vanguard Sires. Stacking proven individuals through selection, genetics and performance.

**Bonus: Mr H Modelo Manso 169/8 ranks in the top 10% on six categories which include weaning weight, yearling weight, milk, carcass weight, marbling, and ribeye measurement.**

*This bull is ready to improve your herd!*

- Dark pigmented, long-sided, deep ribbed
- Performance numbers to positively increase your calf crop
- Fresh genetic combination from Heritage

Individual Performance	BW	Disp.	ABBA EPDs	BW	WW	YW	Milk	CWT	Marb	REA
	75	1		2.0	18.2	23.4	4.5	16.0	-1.65	0.19

Mr H Hosea Manso 175/8 is one that I totally envisioned us keeping. He has been a great looking calf since birth, always proud, always the first one in the creep feeder and for some reason, always clean. I can remember checking the weaned bulls one day after a big rain and there wasn't a dry place in the pens, the majority of the bulls were covered in mud head to toe, but not Hosea 175/8. He looked like he just showered and shaved, almost like he was just a little better than the others. I tell you that silly story to say this, if you want to take a really good looking bull from Hungerford, focus your attention on this particular lot. Mr H Hosea Manso 175/8 is sired by JDH Mr Monroe Manso 416/8, the Prophet 424 x Elliot 461 son that is doing an incredible job for us. The dam of Hosea 175/8 is one of Erin's former show heifers, Lady H Lana Manso 350/3, a daughter of +JDH Charley's Jazz Manso 946/1, a past International Junior Champion female and co-owned with Forgason Cattle Company.

**Bonus: Easy fleshing ancestry to produce front pasture type cattle.**

Mr H Tom Manso 193/8 is a big boy and is sure to add performance and growth to his calves. For many of you, Mr H Tom Manso 193/8 will soar to the top of your buying list based on his phenotype, others may still be on the fence about him. Now, have a look at his pedigree (I love this part)... Pretty cool family tree, right? I honestly cannot think of another auction of any kind where a bull like Mr H Tom Manso 193/8 would be offered. A 100% J.D. Hudgins pedigree made up of some of the greatest sires to wear the half circle L brand, including (+)Liberty 847, (+)Lawford 616, and (+)Datapack 563/5. Friends, these are the type of opportunities that keep the Brahman breed exciting. Imagine owning Mr H Tom Manso 193/8 and pairing him with some of the hottest U.S. bloodlines, (+)Woodson 206, +Noble 458, +Maddox 684, Kabram, +V8 380... you get the idea. The bulls in this sale are Level 3 and will propel your program forward.

A great sire in the making! Go ahead, break him down, and poke holes in him. Difficult isn't it? Fact is, Mr H Hoss Manso 195/8 is a beast and excels in bone, muscle, rib shape and eye appeal. Let me point out that Mr H Hoss Manso 195/8 is not for breeding to heifers or breeding for F1 calves, but he is a bull that will work well with mature Brahman cows. If you need a shot of bone quality and muscling in your cattle program, then Mr H Hoss Manso 195/8 is the bull for you. He is sired by the Register of Renown bull +Mr V8 442/6, and out of JDH Lady Terry Manso. His pedigree stacks some of the proven J.D. Hudgins genetics, including (+)Karu 800, (=)Riddell 929, (+)Charley 590/6 and (+)Dakota 599. Hoss 195/8 is ready to go to work on your cow herd.

**Bonus: Mr H Hoss Manso 195/8 ranks in the top 5% of the American Brahman Breeders Association for 5 traits including weaning weight, yearling weight, milking ability, carcass weight, and ribeye measurement.**

Only one of these young guys selling today, Mr H Reagan Manso 222/8, is a fall 2018 born prospect that we are extremely excited about. First of all, he is a son of +Mr H Maddox Manso 684. You've probably heard by now, there is only a limited supply of Maddox semen left in the United States, therefore the opportunity of adding +Maddox to your genetic pool becomes more challenging. Secondly, the dam of Mr H Reagan Manso 222/8 is none other than Lady EE Brandeis Manso 35, who is also the dam of our popular young sire Mr H Ocu Manso 936/6. Friends, if you're like most ranches and do some artificial insemination and some E.T. work but never really have a great bull to naturally breed your cows, you could be losing money. Stop turning out old "Fred" just because he is convenient and upgrade next year's calf crop with Mr H Reagan Manso 222/8! Trust me, your banker and your cows will thank you!

**Bonus: Reagan 222/8 ranks in the top 8% for milking ability and top 4% for marbling.**

## SALE TERMS & CONDITIONS

**Bidding.** All lots will be sold to the highest bidder, unless sale is cancelled by sale management. The Auctioneer will settle any disputes with regards to bids and his decision will be final.

**Announcements.** Corrections or additions of any information in the sale catalog will be announced on the internet site and will take precedence over any printed material. It is the responsibility of the seller to provide the sale management with any corrections prior to the sale.

**Payment Terms.** Terms of the sale are cash or check payable to Heritage Cattle in full to sale clerk immediately following the sale. Cattle will not be released until payment is made, unless prior arrangements are made with sale management.

**Liability.** Each animal will become the buyer's responsibility as soon as sold. The owners, employees, auctioneer or other affiliated personnel will not be responsible for any accidents, but will make every effort to provide for the safety and comfort of the animals and attendees.

**Registration and Transfer.** Transfer of animal ownership will be the responsibility of Heritage Cattle Company and will be done at the expense of seller only after clearance of all checks. Transfers should be completed within 2 weeks of sale date.

**Cattle for Export.** All cattle sold for export must be paid in full immediately following the sale. Seller will supply all necessary health testing required for export to the buyer's specific country. The buyer must arrange for the care of the animals until proper health papers can be completed.

**Breeding Guarantee.** Heritage Cattle guarantees that all animals are breeders, with the exception of a) animals exhibited at any livestock show after the sale has occurred; b) animals who suffer injury or disease following the sale; c) animals subjected to

negligence by or willful misconduct on the part of the buyer; and d) bulls that have semen collected prior to having the opportunity to breed females naturally. Bulls are not sold with a semen collection or freezing guarantee. We make no further guarantees, including the ability of any animal to compete in livestock shows, disposition, and length of life or production. Buyers must notify Heritage of any breeding issue by November 15, 2019. Heritage has the right to evaluate and determine if the bull is a breeder for a period of 6 months. If the bull is a non-breeder, Heritage may offer a replacement or a sale credit for future purchase, but no cash refund is available.

The sale terms and conditions constitute a contract between the buyer and Heritage Cattle and are equally binding upon both parties. The rights and obligations herein are not transferrable or assignable.

UNLESS OTHERWISE EXPRESSLY STATED IN THESE SALE TERMS AND CONDITIONS OR ANY OTHER WRITTEN AGREEMENT BETWEEN THE PARTIES RELATING TO THE SALE, HERITAGE CATTLE MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, EVEN IF SUCH PURPOSE IS KNOWN TO THE PARTIES. THE REMEDIES PROVIDED IN THESE SALE TERMS ARE THE EXCLUSIVE REMEDIES OF THE BUYER, OR ANY PARTY CLAIMING THROUGH THE BUYER, AND UNDER NO CIRCUMSTANCES WILL THE SELLER BE LIABLE FOR ANY INCIDENTAL, INDIRECT, SPECIAL, CONSEQUENTIAL, PUNITIVE OR EXEMPLARY DAMAGES UNDER ANY INDEMNITY PROVISION OR OTHERWISE.

## PERFORMANCE DATA & EPDs
