## TERMS & CONDITIONS

**BIDDING:** Each animal on which there are two or more bids will be sold to the highest bidder.

**TERMS: ALL SALES ARE FINAL.** All cattle will be paid for immediately after the sale. Checks must be made payable to the American Brahman Breeders Association. Upon sale of each lot there is a contract between buyer and seller and any misunderstanding, confusion, or dispute that may arise must be settled between buyer and seller. Sale management shall have no responsibility or liability.

**DISPUTES:** The auctioneer in charge will settle any disputes as to bids and his decision on such matters will be final.

**REGISTRATION CERTIFICATES:** The sale management will transfer the registration certificate to the new owner's membership with the American Brahman Breeders Association within 30 days of the sale.

**CATTLE TO BE EXPORTED:** Animals that are sold for export must be paid for at the time of the sale. It will be the responsibility of the purchaser of these cattle for export to make arrangements with the seller for the care of the animal after the sale. The International Brahman Sale will place the cattle in the care of the consignor for the new owner at the price of \$8.00 per head per day (paid by purchaser) until they are shipped.

**HANDLING:** As their sale is affected, all animals will be maintained at the purchaser's risk.

**BREEDERS GUARANTEE:** Every animal in this sale is, to the best of the breeder's knowledge, free from any disease and are all sound. Pregnant cows are considered breeders without further guarantee. If an animal fails to breed after a trial of six months, it may be returned to the seller in good condition. Seller reserves the right to try said animal for six months and if it proves to be a breeder, return it at the buyer's expense. If the animal proves to be a non-breeder, an animal of comparable rank or credit on the purchase of another animal will be offered. If heifers are aspirated prior to being bred there is NO breeding guarantee. If cattle are purchased for foreign export, cattle are sold "As Is" and the buyer will take full responsibility of animal, unless prior agreements are made before final bid is made.

**HEALTH:** Standard health certificates will be provided to the buyer. If animals are purchased for export the additional testing and health certificates are the responsibility of the buyer.

**TRANSPORTATION:** Transportation of cattle can be arranged.

**ANNOUNCEMENTS:** Announcements from the auction box will take precedence over the printed matter in this catalog and all other announcements.

**LIABILITIES:** All persons who attend the sale do so at their own risk and the International Brahman Show & Sale and sale manager assume no liability, legal or otherwise, for any accident that may occur. The International Brahman Sale accepts no liability for the animals after they are sold.

**AMERICAN BRAHMAN  
BREEDERS ASSOCIATION**

P.O. Box 3249 • 1920 W Villa Maria Rd. #302

Bryan, TX 77805 • 979-485-5528

[www.brahman.org](http://www.brahman.org)

Dear Brahman Enthusiasts:

We are extremely honored to invite you to the 2024 International Brahman Sale that will be held in conjunction with the 100 Year Celebration of ABBA and International Brahman Shows. This Brahman activity will be one that you will want to be a part of that includes quality cattle shows, fellowship opportunities, and this elite sale. The sale committee has worked diligently to secure outstanding genetics from the most recognized breeders in the breed for this prestigious sale. This offering will consist of haltered heifers (open & bred) that combine some of the breed's most elite genetics.

The American Brahman breed is experiencing a strong demand due to the influence it plays in the domestic and international cattle herds. While it is easy to sit back and enjoy this success we should continue to strive in improving and remaining competitive. Purchasing proven genetics to incorporate into your program is a great way to ensure continued success. We encourage you to carefully study this sale offering and consider whether there is an animal that could have a positive impact on your program.

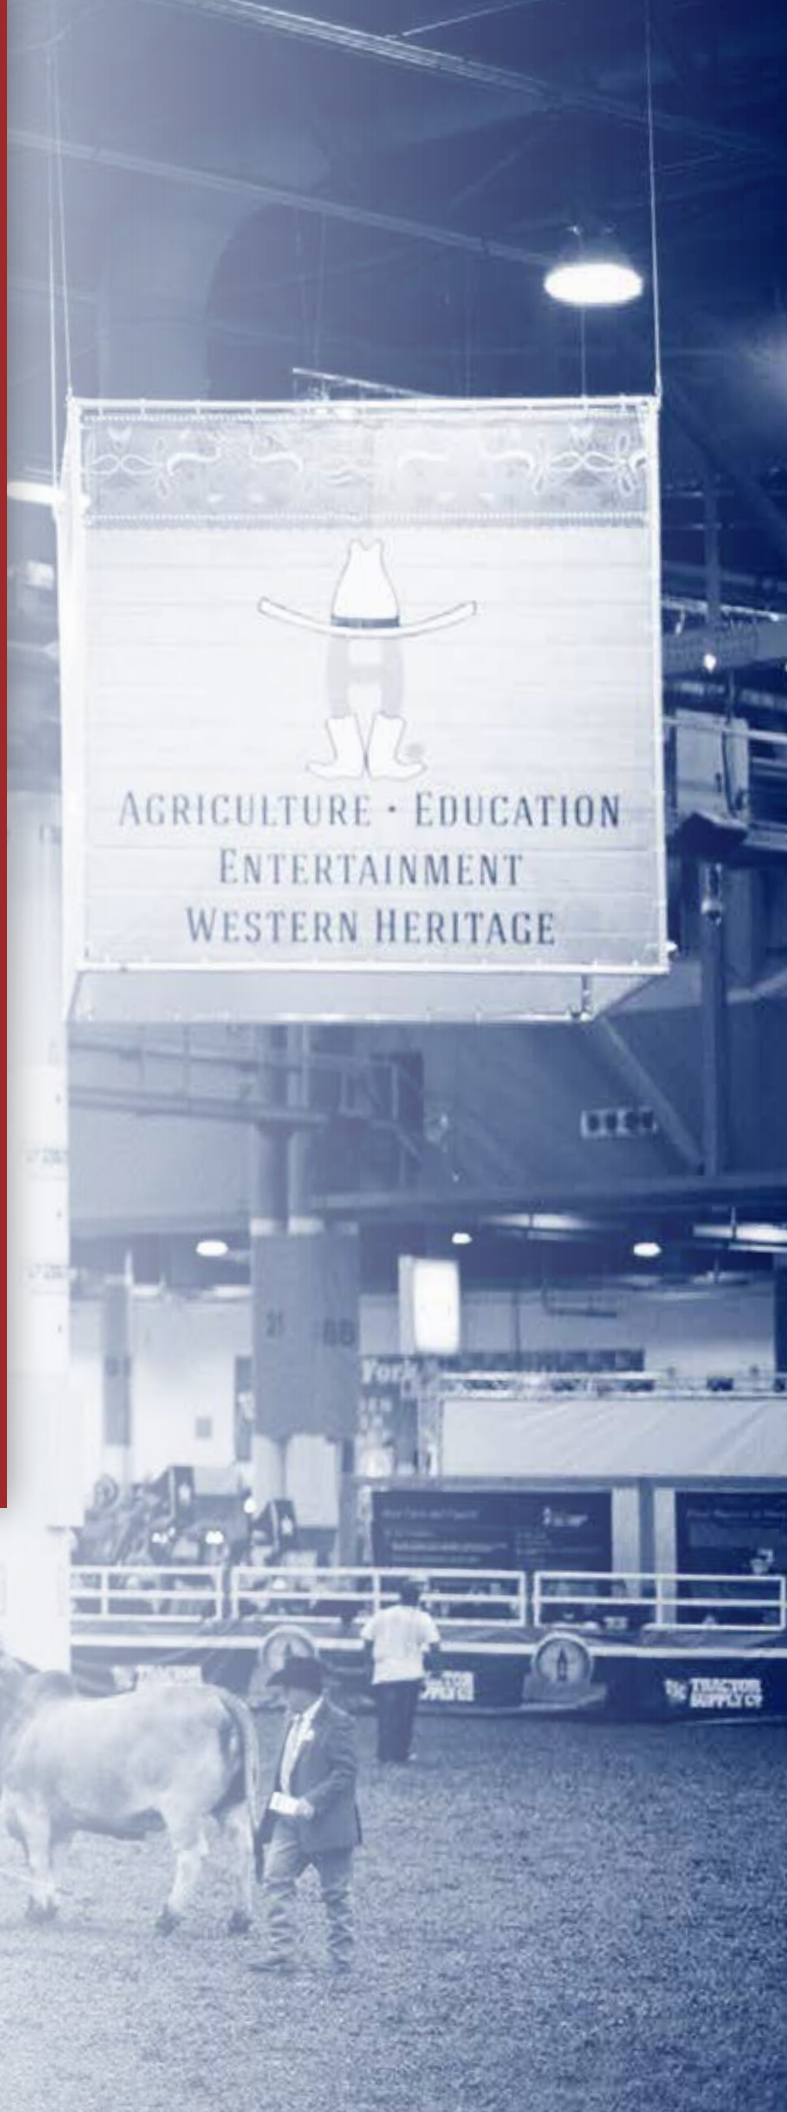

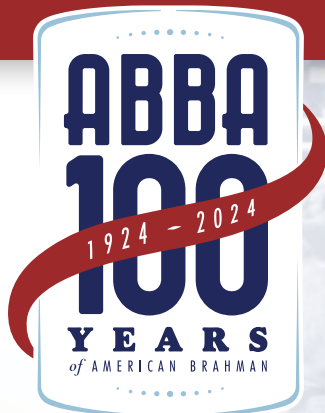

We have videoed the offerings for further inspection of the cattle. The videos and sale catalog can be viewed at [www.brahman.org](http://www.brahman.org) and [www.cattleinmotion.com](http://www.cattleinmotion.com). If you are not able to attend the sale in person, we encourage you to view and bid online with Cattle In Motion.

On the day of the sale, the Pre-Sale Cattle Viewing will begin at 4:00 PM next to the ABBA Booth in the NRG Center where the show is held, followed by the Meet & Greet/Pre-Sale Party at 7:00 PM, and the sale will start promptly at 8:00 PM. Please note that the Meet & Greet and Sale are in the NRG Arena across the parking lot from where the show is held. To get to the sale you can either take the ABBA Shuttle from the back loading dock or the Rodeo Tram that can be found at the southeast corner of the NRG Center.

If we can provide additional information for the sale lots or be of assistance, please contact the consignors directly or reach out to the Sale Manager Chris Shivers at 713-202-1747.

Sincerely,

2024 International Brahman Sale Committee

There is no question that the eye appealing build of Miss BER Beauty 994 drew your attention! There is so much to appreciate about this female as she is heavy structured, deep bodied, well balanced, ultra-feminine, and combines this all in a dark pigmented package. To further complement this phenotypic superiority, Beauty is the result of a proven mating that produced a flushmate to 994 who topped the Bull's Eye Ranch Fall Online Sale at \$17,600. The sire to Beauty is +Mr. BER Cash 336 who was a many time show winner including a National Show Division Title. Cash is now one of the most proven sires in the breed with 149 registered progeny to include many show winners which has ranked him as the #4 sire for show points earned by progeny over the past 5 years. Beauty's dam is a former show heifer for Bull's Eye Ranch who culminated her career with a National Show Reserve Division title. Miss BER Delilah 657 is the result of two Register of Renown parents to include +JBR Mr. 07/4, who is backed by some of the most exclusive genetics from J.D. Hudgins, and +Miss V8 401/6 who was the TJBA State Show Champion and by the International Champion +Mr. V8 846/5 "The Rock" and out of the influential donor +Miss V8 495/5 "Rose". To complete this impressive package Beauty charts positive for the valuable performance traits of Growth, Milk, and Marbling.

GB Amy is a super gentle and well-built female that recently won her class at the Ft. Worth Stock Show. This show ring success should not be surprising due to her combination of rib shape, length, levelness, and femininity. Amy is sired by +M2 BRC Captain 518/1 who has been one of the most widely used sires of the past two years and is best known as siring the 2023 International Champion Grey Female. The dam to Amy is the 2015 Reserve National Champion and proven donor Lady H Barbie Manso 319/2. For those that might not be familiar with Barbie she has also produced the show winner and herd sire for Heritage Cattle Company Mr. H Able Manso 307/9 as well as a flushmate to Amy who was a National Show Class Winner. Barbie is sired by +JDH Sir Shank Manso 51/7 the sire to numerous winners at all levels and out of the influential donor +Lady H Mariana Manso 812 who has 36 registered offspring to include 11 of them earning show points, 10 being utilized as donors, and 4 as known herd sires. Don't miss the opportunity to purchase a female that has the potential to be a competitive show heifer and future donor!

GMR Ms. Estrella Manso 365 is one of the few bred heifers in this sale. She is selling bred 4.5 months to +Mr. BER Cash 336 who was a former show winner and now one of the most proven sires in the breed as validated by him reaching the ABBA Register of Renown. Of course, you have to appreciate that 365 bred on first AI conception at 17 months old but there is so much more to this growthy, long, level, and feminine made female. She is sired by JDH Cosmo Manso 320/2 who is co-owned by J.D. Hudgins, Inc. & Golden Meadows Ranch. Cosmo is sired by JDH Comet Manso and out of a cow that combines JDH Wellington Manso with the Vanguard Sire (+)JDH Datapack Manso. The dam to 365 is a regular calver and combines the influential genetics of (+)JDH Sir Liberty Manso, (+)JDH Sir Lawford Manso, and (+)JDH Dakota Manso. Not only is 365 built right and backed by some of the most exclusive and proven genetics in the breed but she ranks in the top 1/3 of the breed for ALL of the economically relevant traits to include Birth Weight, Weaning Weight, Yearling Weight, Milk, Ribeye Area, and Marbling. Give this BRED female serious consideration as she combines the essentials of PEDIGREE, PERFORMANCE, & PHENOTYPE!!!

Lady H Anne Manso 628/2 is a beautiful dark pigmented, moderate framed, super deep bodied, heavy structured, long, & level made female straight from the Heritage Cattle Company show barn. She is sired by the Reserve National Champion, BRC Dutton 376/8, who is also the sire of the 2022 International & National Champion Female, Lady H Lisa Manso 476/1. The dam to Anne is a proven donor with 19 progeny, a daughter of the International Champion +Mr. V8 960/5, and out of +Lady H Mariana Manso 812 who has 36 progeny to her credit including 8 significant breed influencers. It should also be known that Anne has a full brother, Mr. H Taiton Manso 478/1, that is being shown and is expected to be one of Heritage's next top herd sires. Anne also has a sister, Lady H Pazazz Manso 477/1, who showed extremely well with a number of division titles and being named the Houston Livestock Show & Rodeo Junior Show Grand Champion Grey Brahman Female further validating the consistency of this mating. Don't miss the opportunity to purchase an outstanding female that is backed by some of the most proven & popular genetics in the breed!

**HOMOZYGOUS POLLED!** In honor of the ABBA 100th anniversary we are offering what we believe is the BEST opportunity we've ever consigned to a public auction. For this special sale we picked the best of our best, straight out of our show barn and keepers, as we know she will represent us very well. 229/1 checks all the boxes when it comes to structural correctness, docility, fertility, pedigree, and phenotype!

Miss HMC 229/1 (PP) is out of our star donor, Miss HMC Polled 56/1 (P), who is everything we have strived to produce in a modern, functional Polled Brahman. The foundation of these genetics is our former donor, LMC LF Polled Muneca 152/4, who is the grandam of 229/1. 152/4 was the highest selling lot in the Tip of Texas Sale last fall. It should also be noted that 229/1 is a full sibling to Miss HMC Polled 128/1 (P) "Kay", who sold to Southern Cattle Co in 2022, and stated by Mr. John Downs to be one of the best Brahmans walking on their ranch today!

When you ask the ABBA President for a consignment to the International Sale he offers his best! There is so much to appreciate about JDH Kianga Manso 837/8. First, she is so eye appealing with her beautiful pigment, femininity, long & level lines, rib shape, and muscle. The sire to Kianga is JDH Massai Ndarre Manso 510/7 who is an extremely growthy herd sire that is by JDH Massai Manso 608/6 one of the most proven & popular sires in the breed due to the success of his offspring to include the 2023 International Champion Bull JDH Massai Tradition 376/8. The dam to Kianga is one of the top donors for the J. Forgason Division of J.D. Hudgins that is a paternal half sister to JDH Lady Ramona Manso 884/6 who is their top donor and the dam to Massai Traditions. To further complement this outstanding phenotypically superior and well-bred female Kianga has a huge Birth Weight to Weaning Weight spread indicating her ability to produce small calves that grow rapidly. We think Kianga is one of the most futuristic heifers in the sale who gets better each day. Don't miss this opportunity!

JDH Lady Sage Manso 221/1 was selected for this sale based on her TOTALITY! For starters Sage is backed by some of the most proven genetics in the breed. Her dam is a donor for the Goudeau Division of J.D. Hudgins, Inc. that results from two Register of Renown parents. The maternal grand sire to Sage is the National Champion & globally utilized sire +JDH Mr. Elmo Manso while her maternal grand dam was an International Sale feature that has 58 progeny to her credit. The sire to Sage is Mr. Karu Manso 800 who is one of the most widely used sires in the breed with close to 700 registered progeny and a clone to the iconic (+)JDH Karu Manso 800. As a result of her superior genetics Sage is extremely progressive in her performance values charting positive for 14 of the 16 measured traits! Yes, it is important to be backed by some of the most proven genetics in the breed with a progressive performance profile but on sale day it will be Sage's growthy, long, & level phenotype that will appeal the most to prospective buyers. Study this opportunity closely!

JDH Lady Sunny Manso 545/9 is an OUTSTANDING female straight from the J.D. Hudgins, Inc. show barn. It is hard to even know where to start describing this female! She is obviously well built being moderate framed, deep ribbed, beefy, long, level, and standing on a heavy structure. Some might consider Sunny's pedigree as her biggest asset. She is sired by JDH Beckton De Manso who has been one of the most successfully used sires around the globe due to his functional build and outstanding offspring which have been named champion many times. The dam to Sunny calved six straight years before being held out of production for four months to be flushed when she again calved naturally each year. JDH Ms. Lauren Manso is a full sister to the proven herd sire JDH Mr. Otis Manso 55/9, by the Vanguard Sire (+) JDH Woodson De Manso, and out of a daughter of the influential sire JDH Sir Parker Manso. To complete this impressive package Sunny charts positive for the essential performance traits of BW, WW, YW, Milk, and Marbling. This is truly a special opportunity!

JF Ms. Polled Black Bay (P) is a standout in this sale due to not only her beautiful black hair coat but she is bred, polled, and comes in a practical built package. Black Bay is sired by Mr. MCC Polled Smoke 14/9 (P) who is now one of the most popular sires in the breed due to the demand for his genetics that results from his dark color, heavy structure, deep rib, and polled status. The dam to Black Bay is JDH Lady Dawn Manso who is a daughter of the National Champion and breed icon +JDH Mr. Elmo Manso and one of the most maternally oriented female lines at J.D. Hudgins. The progressive breeders who are looking for the TOTAL package will appreciate that Black Bay charts positive for 12 of the 16 measured performance traits. As an added bonus Black Bay sells bred 60 days to LMC LF Polled Quest 40/1 (P) #1044122. This is an outstanding opportunity!

WOW is how you simply describe the opportunity to purchase a superior female such as Moreno Ms. Lady Rika Runi! As you see this female is made extremely well being heavy structured, huge bodied, attractive in her design, feminine, and thick ended. Rika Runi is a daughter of +TJF Mr. Smokin Gun one of the most proven sires in the breed who among many other winners has the 2023 International Champion Red Female and the 2022 International Champion and Reserve Champion Females to his credit. The dam to Moreno Ms.

Lady Rika Runi is a donor for Moreno ranches who has produced numerous winners and top sellers in the USA & Thailand. Moreno Ms. Lady Rika Vivi is the result of two Register of Renown parents with her dam being an International Champion and dam to a Reserve International Champion validating the superiority of the genetics in this pedigree. You should already be sold on this female but will even be more excited about this opportunity when you find out that she will calf around April 15, 2024 with a calf by the 2020 International Champion Bull Moreno Mr. Rudolph 851 #969390. Don't miss one of the top females in this sale!

Today more than ever the breed is witnessing an emphasis on polled cattle. Moreno Ms. Lady Polled Pom Pom is one of the few polled females in this sale. Not only is Pom Pom polled but she is phenotypically outstanding and is backed by a proven pedigree that is an outcross to many of the current polled bloodlines. Polled Pom Pom is by Moreno Mr. Polled Kyros who was a former show bull and now a proven sire as validated by his offspring winning shows and topping sales in the USA and Australia. To further add value to Pom Pom from a genetic standpoint her dam is a young donor that results from two Register of Renown parents to include +Mr. V8 380/6 and one of the most proven Moreno Ranches donors with 44 progeny. One of the most exciting things about Pom Pom is her performance indicators that rank in the top 15% of the breed for Growth and 40% for the valuable carcass traits of Ribeye Area & Marbling EPD's. Polled Pom Pom should show competitively based on her eye appealing build but we see her real value as a cornerstone breeding piece!

A genetic masterpiece would be a starting point when describing H3 Ms. Willa's Pasco 25/0. Yes, you have to appreciate the dark red color, super deep body, and heavy structure that she offers but study her pedigree. The sire to Willa's Pasco is +SRS Mr. Pasco 812 one of the most proven sires in the breed due to the success of his progeny. This impressive bull was named as the 2006 Reserve National Champion. Soon after receiving this recognition, he was lost due to an accident. Fortunately, a limited amount of semen was collected and as a result only a limited number of progeny have been registered with many of these being show winners. It should also be known that the value of his semen when offered was \$11,000/straw making this an even more valuable opportunity. The dam to 25/0 is Lady H Willa Rojo 243/8 who was a many time show winner, graced the cover of The Brahman Journal, and was named as the Premier Red Cow of Florida. Willa is by HK Visa Volunteer 244 and out of the Grand Champion Red Heifer at the Houston Livestock Show Junior Heifer Show. This is an extremely well-bred show heifer prospect!

VL Elena 115/1 is a bred heifer that has been shown over the past year. As you can tell from her photo she has the signature Santa Elena Ranch build being high volume, long, level, beefy, and heavy boned. As you might expect from a Santa Elena Ranch female 115/1 is extremely maternal ranking in the top 5% of the breed for Milk EPD. The sire to 115/1 is the former show bull and now proven sire VL Rojo Designer 2/70 who has sired numerous show winners in the USA & abroad. The dam to VL Elena 115/1 is a donor for Santa Elena Ranch with 17 registered progeny in ABBA and is a daughter of +VL Elena 115/5 one of their most proven donors. To further strengthen this offering, she is bred 5 months to VL Rojo Grande 40/1 #1040222 who is a son of the International Champion Cow VL Elena 4/165.

Miss SNS Octavia 124/3 will be just a year old at the time of the sale and has a bright future ahead of her! Not only is Octavia built well being white in color, big boned, long, level, and feminine but she results from a proven mating with a full brother, Mr. SNS Boone 400/9 already racking up a number of show wins. The sire to Octavia is the Reserve National Champion and proven sire Mr. SNS Mighty Mouse 295/6 who is a son of the Vanguard Sire (+)JDH Woodson De Manso and one of the most influential cows in the breed, +JDH Lady Miffany Manso. The dam to Octavia is equally impressive as she too was a many time show winner, a proven dam, and a maternal half sister to Mr. SNS Lawless Manso 225/4. As you might expect from a female that is so well-bred Octavia ranks in the top 25% of the breed for the valuable performance traits of Growth & Ribeye Area EPD's. No matter if you plan to show Octavia or utilize her as a herd influencing female she will "fill the bill"!

Swaner Brahmans is one of the longest tenured breeders in ABBA with numerous International & National Champion titles. In this prestigious sale they are offering a female that is not only built right but backed by some of the most proven genetics and progressive performance figures in the breed. SRS Ms. Juanita is one of the first daughters to be offered in a public auction by the National Champion SRS Josey Wales 256. Many will remember Josey Wales due to his outstanding show career but you might not realize that he results from two Register of Renown parents. The dam to Ms. Juanita is a former show heifer and proven donor with show winning offspring. Moreno Ms. Lady Rica is a daughter of the #1 Register of Renown Sire +Mr. V8 380/6 and the 2017 ABBA Show Cow of the Year +Moreno Ms. Lady Rumbera 710 who has 79 registered offspring to include numerous show winners. As indicated, Ms. Juanita is performance packed charting positive for Birth Weight, Milk, Ribeye Area & Marbling EPD's while being extreme for her Weaning Weight & Yearling Weight figures. It is rare that you have the opportunity to purchase a female of this caliber from such a reputation operation.

We are proud to offer a part of V8's cow family legacy with Miss V8 497/9, linebred to our past Reserve International Champion Female, +Miss V8 209/6 from the Rose cow family. It would take pages and hours to document the contributions this cow family has made to V8. Miss V8 497/9's sire, the National Champion +Mr. V8 322/8, a son of +Mr. V8 380/6, earned his place in the Register of Renown at just five years old, showcasing the quality of his progeny. Notably, daughter Miss V8 472/9 "Magic," became the 2022 Reserve National Champion, and sold for a record \$150,000 for half interest. Miss V8 497/9, destined to be a keeper female for us and member of our show string, was a class winner at the 2022 Cattleman's Congress. She ranks in the top 1% of the breed for EPDs in weaning and yearling weight. She is deep bodied, easy fleshing, and heavy muscled with a powerful hip design and level topline. Beyond this, she combines eye appeal, bone, a clean underline, and that irresistible V8 style. When you have this much clout in a pedigree, the sky is the limit on what you can breed her to. You will have fun choosing multiple bulls to use while admiring her as a front-pasture cow. She sells bred to JDH Durango Manso 68, a Beckton son, (ABBA: 981986) for a Spring 2024 calf.

The legacy of MAXIMUS and some of the most integral Red Brahman cow families live in this female. Miss WCC Zinnia 527/2 is unlike any Red Brahman sale feature. Her undeniable quality of breed character and real-world traits combined with a timeless pedigree makes her a breeding piece standout in American Red Brahman. "Zinnia" is sired by +Mr WCC Maximus Rojo 82/4, who needs very little introduction. The MAXIMUS sired cattle have captivated the Red Brahman world because of their practicality, fertility, and ability to thrive in the show ring and pasture. However, we encourage you to focus on the bottom side of "Zinnia's" pedigree. The 101 cow is not only Stuart's favorite cow at the ranch but represents a HK cow family we've focused our program around. The 101 cow stems from the HK Ms Break Thru 966 cow family that produced herd sires like HK Visa Brazil and HK Mr Passport 624. In our opinion the 966 cow influence is one of the most reliable and genuine cow families in Red Brahman genetics. Additionally, sires like +3H X-Ray 825 and 3H Ray Gun 500 are represented in Zinnia's pedigree. Miss WCC Zinnia 527/2 is DNA verified and we think can influence the future of American Red Brahman cattle for generations to come.

Sire
